You may also contact the Department of Public Service at (614) 645-3111. If possible, please move your car during the time allocated to your street. We'll keep you updated on other city initiatives that affect our boundaries.

Happy spring, Ganthers Place!

#### **Earth Day**

Throughout the year, we encourage residents who are able to pick up litter to do so and to call in bulk pick up needs to (614) 645-3111. We also encourage gardening at any level. These are just a few ways we can all keep Ganthers Place great. If you're interested in doing these things but have been unsure of just how to start, please join us for our Earth Day event on April 8, 2017 beginning at 11:00am. We'll meet at **Ganthers Park for All** People, 566 Reinhard, before breaking into work groups. See you there, Ganthers Place!

Ganthers Place Residents- Look out for one another. There have been a group of teens creating problems within our boundaries, and one of our residents has even been injured. Big appreciation to resident Dave, who witnessed and intervened. This situation is a fine example of what a difference it can make to watch, listen, and act on behalf of your neighbors. If you see something and are not comfortable intervening, please call the police. Together we will put an end to this behavior!
